THE POLLS WILL BE OPEN FROM TEN AM TO SEVEN PM (10:00 AM to 7:00 PM)

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brentwood Fire House in said Brentwood on Thursday, the 10th day of March, next at 7:00 of the clock in the afternoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.
2. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to defray Town expenses in anticipation of taxes.
3. To see if the Town will vote to authorize the Selectmen to accept and expend such sums of money as may become available through the Governor's Crime Commission Fund, the Federal Manpower Fund or any other Federal, State or Town monies which may become available.
4. To see if the Town will vote to raise and appropriate the sum of \$11,826.00 for a full time police officer. 95% of the appropriation to be paid by the Crime Commission (\$11,234.70) and 5% to be paid by the Town (\$591.30). Submitted without recommendation by the Budget Committee.
5. To see if the Town will vote to raise and appropriate the sum of \$1,898.00 for a moving radar for the police department. 50% of the appropriation to be paid by the Highway Safety Commission (\$949.00) and 50% to be paid by the Town (\$949.00). Submitted without recommendation by the Budget Committee.
6. To see if the Town will vote to raise and appropriate the sum of \$4,188.00 for a new police cruiser. 40% of the appropriation to be paid by the Highway Safety Commission (\$1,675.20) and 60% to be paid by the Town (\$2,512.80). Submitted without recommendation by the Budget Committee.
7. If the above article is not passed, to see if the Town will vote to raise and appropriate a sum, not to exceed \$1,000.00, for the purchase of a used vehicle to be used as a police cruiser. Recommended by the Budget Committee.
8. To see if the Town will vote to raise and appropriate the sum of \$20.00 for the Child and Youth Project which serves 54 children in the Town of Brentwood. (By petition) Not recommended by the Budget Committee.
9. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Seacoast Regional Counseling Center. Submitted without recommendation by the Budget Committee.

10. To see if the Town will vote to raise and appropriate the sum of \$2,700.00 for the Towns participation in the expenses of the Exeter Area Youth Group Home. Submitted without recommendation by the Budget Committee.

11. To see if the Town will vote to raise and appropriate the sum of \$2,400.00 to hire a private firm to do the assessing pickups. (New homes, additions to existing homes, barns, garages, etc.) in 1977. Submitted without recommendation by the Budget Committee.

12. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to establish a capital reserve fund for the purpose of having a complete revaluation in 1981 by either the State or a private firm. The intent will be to add, by vote, the sum of \$3,000.00 each year with the total cost of revaluation estimated at \$15,000.00. Submitted without recommendation by the Budget Committee.

13. To see if the Town will appoint a committee of three Brentwood citizens to assist the Selectmen by performing a study on increased building and land values since the revaluation in 1971. This committee shall make a documented report to the Selectmen by October 1, 1977 and be prepared to substantiate said report at the 1978 Town Meeting.

14. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 to rebuild the Haigh Road Bridge. The total estimated cost of the bridge is \$110,000.00 with the following breakdown: Federal funds \$70,000.00, State funds \$20,000.00, Town funds \$20,000.00 of which \$10,000.00 was appropriated in 1976 for a total figure of \$110,000.00. Recommended by the Budget Committee.

15. To see if the Town will vote to raise and appropriate the sum of \$4,400.00 for the purchase of a new HI-WAY 9 ft. Model E Dump Body Mount Sand and Salt Spreader. The Town has rented this piece of equipment for three months for the sum of \$900.00. This sum will be applied against the purchase price of \$5,300.00 thus leaving a balance of \$4,400.00 to be paid. Recommended by the Budget Committee.

16. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following purposes and in amounts indicated hereiwith or take any other action thereon:

Town Dump	\$ 6,000.00
Old Age Assistance	3,000.00
Police Dept.	2,500.00
Fire Dept.	<u>2,500.00</u>
	\$14,000.00

17. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund (Anti-recession Funds) for the use as set-offs against the following: Police Dept. - Permanent Man \$113.00.

18. To see if the Town will vote its approval for the Selectmen to enter into a contract of at least three years dumping privileges with the Town of Kingston. The fee to be determined based on Brentwoods per capita share of the operating cost of the Kingston Sanitary Landfill Site.

19. To see if the Town will vote to raise and appropriate the sum of \$2,800.00 as its alleged share of the following proposal by Exeter: to reinforce the abutments and install pre-stressed concrete deck on the Pick-pocket Road Bridge. Total cost \$20,000.00, Brentwood's share \$2,800.00.

20. To see if the Town will vote to adopt the seal designed by Mary-Lou Clinton as it's official seal, and take necessary action relating thereto.

21. To see if the Town will vote to require that the Selectmen, before disposing of real property, the title to which has been acquired by Tax Collector's Deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such real property would be in the best interests of the Town as provided in RSA 80:42a, subject to final ratification at the next annual or special meeting. (By Petition)

22. To see if the Town will vote to authorize that the Conservation Commission be empowered to manage Town Forest(s) under the provision of RSA 31:112 (II), and that any proceeds as might accrue from said forest(s) be placed in a separate conservation trust fund to be managed by said Commission. (By Petition)

23. To see if the Town will authorize the Selectmen to enter into an agreement with the Town of Seabrook to allow the Town of Seabrook to operate a Landfill Public Disposal Facility or Dump on land owned by Robert Webb and situated off Route 101, said site having been tested and approved by the State of New Hampshire, for a period of twenty (20) years and for a fee to the Town of Brentwood of \$4,000.00 per annum. The Town of Seabrook shall pay all the operating costs of said facility or dump and shall accept all liability for its operation. The Selectmen of the Town of Brentwood shall retain authority over all phases of the operation of said facility or dump. The citizens of Brentwood shall also be entitled to the use of said facility or dump without charge. (By Request)

24. To hear the reports and recommendations of all Committees and Commissions and to take any action necessary in regards to said reports.

25. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord, nineteen hundred and seventy-seven.

Article 2. The Town adopted the following provisions with 167 Yes votes and 40 No votes: Adopted the provisions of RSA 72:43 -b and 43-c for expanded exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; a resident seventy-five years of age up to eighty, a ten thousand dollar exemption; a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than seven thousand dollars or combined income with spouse of less than nine thousand dollars; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of thirty-five thousand dollars.

Article 3. The Town voted to adopt all the proposed amendments as proposed by the Planning Board, to the Brentwood Zoning and Land Use Ordinance, Building Ordinance and Land Subdivision Control Regulations as follows:

Amend Article I by adding the words "as amended" so that the first sentence shall read: "In pursuance of authority conferred by Chapter 31, sections 60-89, NHRSA, 1955, as amended ..."

Amend Article III, Section 6, by adding the words "as amended" and delete the words "near shore lines" from paragraph (a) so that paragraph (a) shall read: "No cesspool, septic tank, or sewage disposal area shall be constructed or maintained less than seventy-five (75) feet from a well or from a dwelling other than that to which it is appurtenant and all sewage disposal systems shall comply with NHRSA 149E, as amended, which states that "Plans and specifications shall be submitted to the Water Supply and Pollution Control Commission for approval at least thirty days in advance of construction of any sewage or waste disposal system."

Amend Article V by deleting paragraph C and renumbering paragraph D to be paragraph C.

Amend Article XIII by deleting Section 1 and adding a new section 1 to read: "Section 1.. Right-of-way means and includes any highway for which the town, state or federal government has the responsibility for maintenance and liability for the use thereof excluding bonded roads not accepted by the Town. Roads closed subject to gates and bars are not considered rights-of-way for the purposes of this ordinance."

Amend Article XIII, section 5, by deleting the word "public" and add the words "as defined in this article" so that section 5 reads as follows: "Section 5. Frontage means the length of the lot bordering on the right-of-way as defined in this article."

Amend Article VIII Board of Adjustment, by deleting Section 2 and renumber Section 3 to be Section 2.

Amend Article IV, Residential-Agricultural District Section 1, Uses Permitted, by adding a new paragraph F to read:

"Paragraph F. Special Exceptions

(1) Light industrial uses may be approved by Special Exception of the Zoning Board of Adjustment subject to the following conditions:

(a) The applicant attaches to the application for Special Exception a written statement from the Planning Board that the site for the proposed light industrial use meets their approval in the following categories: drainage, water supply and wastewater treatment, type and location of signs, location of buildings, access routes, and parking lots, and that the proposed use actually constitutes a light industrial use. The Planning Board shall consider the application within 60 days of the applicant's request for such a letter. Failure of the Planning Board to

meet the time limit shall be taken to indicate that the applicant has met all of the Planning Board requirements.

- (b) That the specific site is an appropriate location for the proposed use and that the character of adjoining uses will not be affected adversely.
- (c) That no factual evidence is found that property values in the District will be adversely affected by such use.
- (d) That no undue traffic or no nuisance or unreasonable hazard will result.
- (e) That adequate and appropriate facilities will be provided for the proper operations and maintenance of the proposed use.
- (f) That there are no objections from abutting property owners based on demonstrable fact.
- (g) Will not offend by reason of the production or emission of smoke, dust, gas, noise, vibrations, odor, fumes, refuse matter or similar conditions.
- (h) Will not be dangerous to or create a disturbance or annoyance to comfort, peace, enjoyment, health or safety of the community.
- (i) Any buildings and/or structures shall conform in design and material to the extent possible, to the type of buildings in the area in which the light industry is to be located.
- (j) The lot on which such use may be allowed must be five (5) acres or more. This five acres shall not include the area of any house lot on this parcel of land. A houselot for purposes of the paragraph only, shall mean any area of eighty thousand (80,000) square feet on which there is a dwelling.
- (k) A Special Exception shall be granted only for the specific light industrial use specified in the application. A change in such use shall terminate the Special Exception and reapplication must be made to the Board of Adjustment.
- (l) In granting approval of an application for Special Exception use, the Board of Adjustment may attach all reasonable and necessary conditions to assure that the uses of surrounding properties are adequately safeguarded and that the intent of this Zoning Ordinance is maintained.

(m) If a Special Exception is granted, the lot and the proposed use will conform with all other provisions of the Zoning Ordinance.

(2) Churches may be located in the Residential-Agricultural Zone by the Special Exception of the Board of Adjustment."

## REPORT OF THE HIGHWAY AGENT

To the Board of Selectmen  
and The Citizens of Brentwood:

This year two years TRA funds were used on Prescott Road for new construction and a two inch layer of hot top.

Oil treatment was applied to Pickpocket Road, Shore Road, Rowell Road, Old Route 125, Kadra Road, River Road, parts of Pine Road, Haigh Road, Lake Road, Deehill Road and the west side of South Road.

The Manpower crew assisted with these projects and finished cleaning brush from the sides of the roads.

Respectfully submitted,

JON OLSON, Road Agent.

## BUILDING INSPECTOR'S REPORT

Respectfully submitted,

DONALD E. TASH  
Building Inspector

## REPORT OF THE LIBRARY TRUSTEES

To the Selectmen and Citizens of Brentwood:

Again it is time for Annual reports. The Friends of the Library have been quite active. They held two food sales. They had story hours each week through the Summer and once a month during school time. Movies were shown to the children, also. Christmas parties were held for pre-schoolers through sixth grade. They have bought a movie projector for the Library. My personal thanks for all their help.

Again, thanks to Jane Byrne for work on the grounds, and to my husband, Will, for janitor work. I would also like to thank Jon Olson for the fine work in keeping the Library grounds well plowed.

We have several young folks using the Library for their homework. Miss Brown has a special assignment for her class. We were able to supply her with biographies for the class.

Respectfully submitted,

FLORENCE CORBETT, Librarian

## REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen  
Citizens of Brentwood

It is my pleasure to submit my report for the year of 1976.

During the past year one of our fellow officers resigned, and the services of Robert Fortier is indeed a loss to the department.

This past year we have had a full time police officer for forty hours per week. I feel that this has been an asset to the Town. The posted speed limits are being more closely adhered to and I feel this is a direct result of having an officer on duty.

Automobile accidents have increased in the past year, many with personal injury, however we did not have a fatality on our highways.

I would like to thank the citizens of Brentwood, Selectmen and Officers of the Department for their support and cooperation in the past year.

A total of 1,095 calls were answered by the Department this year of which the day officer answered 657. A breakdown of the calls is as follows:

Motor Vehicles	58	Domestic Complaints	32
Animal Complaints	197	Breaking & Entering	36
Stolen Vehicles	2	Fires	6
Juvenile Complaints	52	Vandalism	26
Missing Persons	4	Junk Vehicles	2
Unattended Death	1	Prowlers	2
Assist other PD	86	False Alarms	41
Miscellaneous	535	Suicide	1
Forgery	1	Mail thefts	3

Our Department issued 277 Summons and made 114 Court appearances. And 217 of the Summons were issued by the full time officer.

Respectfully submitted,

GILBERT L. TUCK

Chief of Police  
Brentwood, NH

## REPORT OF THE FIRE DEPARTMENT

To the Board of Selectmen  
and the Citizens of Brentwood

The report for the year of 1976, accounting for the activities of the Fire Department.

Types of Fires	Number of Calls Each

Mutual Aid to Other Towns	<u>17</u>
TOTAL CALLS FOR THE YEAR	56
Mutual Aid call to Brentwood from other Towns	7

The fire loss of property and buildings in the town for this year was about \$67,000.00

Thanks to the Ladies on the Red Phone who answered over 438 calls this year. Also to the Ladies and Men who set off the tones and manned the radio during fire calls.

Thanks to the Ladies Auxiliary of the Fire Department a new pump was purchased for Tanker #1 at the cost of \$1,489.00.

Thanks to the men of the Department who mounted the pump, and donated time and materials for the repairs of the trucks. There was about 96 hours time and materials which were equal to the sum of \$1,134.56 at current rates. Many Thanks.

A REMINDER THAT A PERMIT IS REQUIRED FROM THE FIRE DEPARTMENT TO INSTALL AN OIL BURNER.

TO REPORT A FIRE - DIAL - 642-5452

1. Give the LOCATION of the fire
2. Give your NAME
3. Be SURE that you were UNDERSTOOD

## BRENTWOOD TOWN NEEDS REPORT JANUARY 1977

This report concerns the needs of Brentwood for the next five years as compiled from information provided to the Brentwood Town Needs Committee.

### PLANNING BOARD

The future needs of all departments are partly based on population growth. The Southern New Hampshire Regional Planning Commission predicts population as follows:

1976 = 1610  
1980 = 2300  
1990 = 3700

The maximum population capacity for Brentwood with the existing zoning regulations is over 100,000. Presently Brentwood has 120 house lots approved. On the average, 40 new homes will mean 28 new school age children of which 15 will be tuition students (Junior and Senior High School students). The chairman of the Planning Board informed this committee that a master plan will be ready for town review by April.

### OFFICE SPACE

Brentwood needs a central area for office space. The Selectmen, Town Clerk, Tax Collector, Town Treasurer, School District Officers, other Department Heads and clerical help need efficient working space and an area for record storage. Savings can be achieved through sharing of clerical help, equipment, file and storage space, and purchase of bulk supplies designed for use by all officers and departments.

### HIGHWAY DEPARTMENT

All roads should be oiled every three or four years with drainage ditches cleaned and roadsides mowed. Town Road Aid (T.R.A.) should be continued and supplemented with Warrant funds for road reconstruction. As new subdivision roads are accepted more town funds will be needed for upkeep and plowing. Cross (Pickpocket Rd.) and Haigh Road Bridges are now under negotiation for repair and construction. Capital outlay is needed for the following items:

V-Box and spreader	\$5,500.
Wing Plow Box	300.
Wing Plow	600.
Front Push Plow	1,500.

### POLICE DEPARTMENT

Space is needed for a base of operations, interrogation center, and record storage. (See OFFICE SPACE) During the next five years due to population growth the town will need a full time police officer. The committee felt that 10 special officers is adequate, even with more patrols as population increases.

### FIRE DEPARTMENT

Brentwood receives more services per tax dollar from this department than any other. Funds to complete the foam system on Engine #1 are an immediate need due to the increase of L.P. Gas transport. Worn out and outdated equipment should be replaced by budget items so that the department

function with a high degree of efficiency.

The department plans to build without tax dollars a substation near Marshalls Corner. (See BEANO) This will provide more protection and reduce some homeowners insurance costs by 30%.

### SCHOOL DISTRICT

As Brentwood grows students will increase. The addition to Swasey School gives the school a capacity of 300 pupils (present enrollment is 181). Per pupil cost at Swasey is approximately \$150. below the State average. According to the State Department of Education the projected tuition students (Junior and Senior High) for 1980 are 271 and for 1985, 339 (Present enrollment is 224).

Capital outlay needs at Swasey are 1) resurface the cafeteria floor, 2) patch and reoil the drive, 3) expand the west side parking area and 4) regrading and roof extensions may be needed on the new addition. Warrant articles for 2 years have requested bus transportation for Senior High students. (All students up to age 14 must be bused by State law.) This cost could amount to an additional \$16,000 per year, and once busing is initiated it could be difficult to stop.

There has been considerable discussion concerning Brentwood's need for input to the budget and curriculum at Exeter Junior and Senior High Schools. Mechanisms for this input have been established through the Union 16 AREA Advisory Board (curriculum, disciplinary procedures, some policies), the Union 16 Executive Board (budgets for the Union Office and Special Education, Union wide policies and matters), and the Union Joint Board (all school board members from all towns). The Brentwood School Board appoints a member to these boards. Also, prior to each Exeter School Board meeting, its agenda is mailed to our Board chairman and his attendance to discuss matters on the agenda is encouraged and welcome. These mechanisms have been established so that your opinions can be heard. Therefore, discuss your opinions at Brentwood school Board meetings and request that your elected members attend these Union and Exeter Board meetings more regularly than they have in the past. Our AREA agreement with Exeter expires in 1987.

### BEANO

The Brentwood Beano Committee supports the Firemens' Association and the Brentwood Youth Organization. The net income from Beano is split 50 - 50. The past 3 years each organization has received a total of \$12,650. The Firemens' Association has bought land, put an addition on the fire hall, and plans to construct a substation near Marshalls Corner. B.Y.O has not been active the past few years due partially to a lack of adult support. The town needs a good, well supervised youth program. The chairman of the B.Y.O., Bill Vahey, had told the Committee that unless the B.Y.O. gets a good response from interested adults this spring, it might totally cease to operate. Both Beano and the B.Y.O. need adult support. Both fulfill important needs for the town.

## DUMP

The Selectmen are presently working with the town of Kingston for a longer agreement than the present year to year one. The committee feels this problem should be continuously studied.

## INDUSTRY

The need for small industry to broaden the tax base and relieve the property tax burden will become more accute as Brentwoods population increases. The Town Needs Committee would like to see an active Industrial Committee formed to work with the Planning Board to encourage industry to locate on commercially zoned land.

I wish to thank those active members of this committee who through their time, reports, suggestions and help have made this report possible. Sandra Thorsell had to resign due to a change in working hours but her help during the initial meetings was greatly appreciated.

## BRENTWOOD BICENTENNIAL COMMITTEE REPORT

Enclosed is a list of the activities performed by the Brentwood Bicentennial Committee in celebration of it's 200th year.

The town kicked off it's Bicentennial year with a church service at the Brentwood Congregational Church with a sermon entitled "A Heritage to Remember", given by Rev. Z. Richard Henley. It was fitting that the town kick off it's Bicentennial year at the church, as it was responsible for the town's breaking away from Exeter, and receiving it's charter. This ended a battle for the charter which started in 1731 and ended in 1742.

The town received it's Bicentennial Flag on October 11, 1975 at a flag presentation ceremony, held at the Swasey Central School, with town and county dignitaries being present. Following this, an old fashioned turkey supper was served to more than 350 people at the Brentwood Firehouse. The people holding a supper ticket were shown a movie of John Paul Jones (free of charge).

The Brentwood Congregational Church which was formally known as the First Congregational Society of Brentwood, was painted inside and out, 44 new pew cushions were purchased for the 44 pews, new hymnal racks were installed, pulpit chairs were reupholstered, and a new matching dorsol was hung. A play was presented by the Brentwood Community Theatre entitled "Sing Out Sweet Land". There were 4 performances of this play in Brentwood, a performance at the Veteran's Administration Hospital in Manchester and a performance at the Rockingham County Home. The Bicentennial Committee contributed \$200.00 toward the cost of financing the play.

On Arbor Day, April 30th, 42 rock maples were donated by Lawrence Lyford to the townspeople for planting. Two trees were set out at the Swasey School on the same day. 18 lilac bushes (the State flower) were also given to the townspeople to plant. 12 flags and staffs were donated to the Swasey School for the class rooms. Boy Scout Troop 192 under the leadership of Scott Mann (who worked so very hard at our turkey supper) took on the task of clearing the pine grove behind the Congregational Church, reopened and cleaned out the spring. Picnic tables and benches were installed and the area is open to all who wish to use it.

The members of the Bicentennial Committee along with the members of Keeneborough Grange and the Brentwood Historical Society and other interested townspeople built a float on a 38 foot trailer which was a replica of the L.G. James Country Store. Years ago it was the town barber shop, local store, and postoffice. This float was entered in the Exeter Bicentennial Parade on June 13, 1976 and took the Bicentennial first prize and the grand prize of the parade. This same float was entered in the Fremont Bicentennial Parade on June 19, 1976 and the Kensington Bicentennial Parade on July 4, 1976.

Six scrolls were presented to the wagonmaster of the Bicentennial Wagon Train by the committee chairman at the Northwood, N.H. wagon train ceremonies. Many of them were signed on both sides.

A nature trail of approximately a mile long is being cleared on town property, under the supervision of Lawrence Lyford, our local woodsman and the county forrester, Stanley Knowles.

A time capsule is being prepared at this time. The complete records of the Bicentennial Committee along with newspaper items, photo-static materials and records from the Grange, Historical Society, and other town organizations will be placed in this capsule. The Time Capsule will be in a metal box wrapped in a waterproof material and encased in cement, to be opened in 2076. The Bicentennial Flag, certificates, and awards including a commemorative bottle will become the property of the Brentwood Historical Society at the close of the Bicentennial year. With the exception of a \$100.00 donation from the Fire Department Auxiliary the Bicentennial Committee has been self-supporting.

A town seal has been designed by Mary Lou Clinton of the Brentwood Bicentennial Committee.

Respectfully submitted,

REPORT OF THE BRENTWOOD CONSERVATION  
COMMISSION - 1976

In our 1975 report, Gardner Ladd concluded by saying:

"The Commission plans to work closely with the Planning Board, other agencies, organizations and committees and also with the town officials to ensure that the future development and growth of the Town will be accomplished in a manner which best serves the interest of the Town without imposing unnecessary restrictions and regulations on its Inhabitants." And so, much of our work this year has been an attempt to carry out that hope.

Your Commission is becoming increasingly aware of the lands - the waters - the habitats - the beauty of Brentwood --- so that we can better educate ourselves and you to what we have.

Your Commission's consultative relationships with the Selectmen, the Planning Board and other town groups have increased as we have become more knowledgeable and as others have included us in planning and decision making. Subjects dealt with have ranged from the Kingston dump and the proposed Brentwood Sanitary landfill, to subdivision potential impact on the environment, to suggestions regarding master plans and town maps.

Your Commission has shared with and learned from groups such as the Southeastern Regional Planning Commission and the New Hampshire Association of Conservation Commissions.

Your Commission has explored Brentwood through sponsoring a "Wild Woods Walk" for 40 participants at the pheasant farm, and investigative boat trip on the Exeter River and hikes on some of the Town's "closed roads".

Your Commission has responded to several requests for dredging and land fill and for inspection of perk tests for soil study.

And at the conclusion of this year your Commission has prepared two articles for the Town Warrant - to be voted on at Town Meeting:

- A. An Article "To retain Tax-Defaulted Lands".
- B. An Article authorizing the Commission "To Manage Town Forests".

All members of the Commission are prepared to provide background information on the two articles.

As we move toward 1977 we are especially excited about developing - with townspeople - conservation/environmental oriented programs that will be of benefit to children and adults. We felt that our "Wild Woods Walk" at the pheasant farm was only the beginning of a series of interesting and educational programs.

Special thanks goes to Joseph Pagliarulo our former chairman and "Skip" Higgins, one of our former members. We also thank Annemarie Richmond for her services as secretary (but she is not leaving!) and welcome Sheila White and Stella Pevear as new members. And we also welcome Stella as our new secretary! And we welcome Letty Hett as our representative from the Planning Board.

Your Commission is eager to be aware of the needs of Brentwood and to respond to your hopes for our Community. We are all fortunate to live in this beautiful community and hope you will join with us in maintaining and enhancing this beauty. It takes a committed Commission - and all you have to do is to attend one of our second Wednesday-of-the-month meetings to realize that- but in the final analysis - in the voting booth and at Town Meeting - it takes a Committed Community.

## SCHOOL DISTRICT MEETING

March 6, 1976

The Brentwood, N. H., School District Meeting was opened on March 6, 1976, at 7:30 P. M. by Moderator Harold Sherman, who then read the warrant. The following business was conducted:

Article 1. A motion was made by Wilmon Grant and duly seconded that the salaries of the School Board and Truant Officer and other officers or agents of the district be accepted as presented in the budget. The motion was passed by a voice vote.

Article 2. Donald Pailes moved and was seconded that all reports be accepted as written in the annual report. The motion passed by a voice vote. Al Jensen presented a report of the legislative committee formed at last years meeting. He suggested an area review board could be established to review the area plan with Exeter. John Cummings moved and was duly seconded that the present committee with the new school board member (Carolyn Cummings) continue to be active this year and direct them if inaction by September then they must take the next step to the state board of education. The motion passed by a voice vote.

Article 3. A motion was made by Donald Pailes and duly seconded that article 3 be accepted as read. Discussion followed relating to appropriating eight thousand dollars (\$8,000) to provide transportation to all Brentwood students (grades 9-12). Bob Sanborn moved to order the question. Passed by a standing vote of more than two-thirds. Article 3 was voted in the negative by a ballot vote. Yes - 22 No - 40.

Article 4. Sandra Thorsell moved and was duly seconded that the budget be presented item by item. John Richmond, chairman of the budget committee, presented the budget. John Cummings made the motion and was duly seconded that the town raise and appropriate \$459,549.00 less all revenue received from federal, state, and local sources and any other agencies for the support of schools. The motion was voted in the affirmative by a voice vote.

Article 5. Article 5 was lost because of lack of motion.

Article 6. A motion to adjourn was seconded and passed at 9:05 P.M.

Respectfully submitted  
Marion Arkell, School Clerk

## Brentwood Report - Superintendent of Schools

We have much to be proud about in the Brentwood Schools. Students have continued to grow academically. Test scores have improved constantly and performance of Brentwood youngsters at the AREA Junior High School has indicated they are being well prepared at the elementary level.

Mr. Ed Chmielecki, Principal of Swasey School, left us during the summer, and we had our problems finding a suitable replacement. However, I'm very pleased to report that Mary Lyster was hired, and is shared with Newfields. So far this arrangement has worked out extremely well, and has saved both towns considerable money. Mrs. Lyster submits the following report for your review.

"It is with pleasure that I submit my first report as Principal of Swasey Central School.

Work sessions and planning sessions are being held as the staff and I work together to formulate organizational patterns designed to better meet the needs of the students. The physical plant has given a considerable amount of concern as the need for major roof repairs and work on leach fields has arisen. The students are settling down to business under the third administrator this year and have shown good strides in adhering to the ground rules of respect, order, honesty and hard work coupled with positive feelings about themselves, the staff and their school.

It has been a difficult year at Swasey and many competent and interested people have helped bring it through on course. I am confident that the excellent teaching staff, the supportive and concerned school board, the support staff and administrative staff will work with me as Swasey Central continues to improve and achieve our goals of excellence and commitment. These are worthy goals for the staff, the students and the citizens of Brentwood. We must all work together if they are to be met."

We have, and we will continue to provide a solid basic education to fulfill the needs of the students. As students progress through our schools I believe we want to strive to see they acquire the skills to interact compatibly with each other, to become economically sufficient, to use communication effectively, and to develop civic responsibilities.

If the student is to survive in the job market ahead he needs these vital skills. I also feel the schools have an added goal. To be educated means also to be responsible, with a "value" system which strengthens law and order, human relations, uniqueness of the individual, and a true sense of moral obligations. As a tax payer you have every right to have the school join the church and family in aiding in the training of our children to examine value more carefully. One cannot involve a child in schooling from the time he is 6 until he is 18, and not expect an effect upon the way he thinks about moral issues and the way he behaves.

As your superintendent my goal is to produce a citizenry that will do us proud in the twenty first century. Let's all work together in the education of the Brentwood children toward that goal!

## REPORT OF THE BUSINESS ADMINISTRATOR

Daniel C. Durgin

Rising prices, increased cost for services, higher utility rates, inflation--none of us is unfamiliar with what the foregoing represents.

Unfortunately, school districts are no less subject to the economics of our society than are we as individuals. Because just as we are consumers, so too is a school district. Being a consumer of goods and services, the school district is confronted with the same budgetary pressures as is every family.

The impact of sharply rising costs on the school district is usually dramatic and has a direct effect on every resident, whether property owner or renter. Assuming no significant increase in revenue from state sources, the property tax must continue to bear the burden of inflation. Although, this is a most serious problem for everyone, some communities with a broader tax base (taxable property which includes not only residences but significant non-residential property as well) are better able to cope with the problem than others. It is the small community comprised of mainly modest residential property that gives one particular cause for concern.

Typically, the small school district, such as East Kingston, Newfields or Kensington, has an equalized valuation (the dollar amount of taxable property assessed at total value or 100%) of under \$20,000,000. A district with an equalized valuation of \$12,000,000 for example, would have to raise its tax rate the equivalent of \$1.00 for each \$12,000 of increased expenditure. In other words, adding an amount of money equal to a little more than an experienced teacher's salary to the school budget would add \$1.00 to the tax rate.

Salary increases to staff have a significant effect on the school budget. Although the size of the increase is important, it is also important to note the number of staff members covered by the increase. For example, a 6% increase granted to all Exeter staff would increase the budget by approximately \$160,000 equivalent to \$1.25 on the tax rate based on current valuation. Add to that another 8% for social security and retirement which are tied directly to salary and we have an additional \$12,800.

So a hypothetical increase of 6%, which is not an uncommon occurrence today in the public or private sector, raises expenditures by \$172,800 before consideration of textbooks, fuel oil, utilities, equipment, insurance and the many other items that make up the total school budget. It is this kind of situation that confronts every school board and administrator.

While salaries rise in response to pressures brought about by inflation, costs of other goods and services necessary to the operation of the school district increase at what often is a more rapid rate.

We are all familiar with what has happened in the past four years to the price of fuel oil. In 1973-74, the total amount budgeted for fuel oil in the six towns of S.U.# 16 was \$32,450. For 1977-78, a total of \$77,336 has been budgeted or a 138% increase. Fuel costs over the same period have climbed approximately 157%.

Although fuel is an extreme example, increases in virtually every other expenditure area can be cited. Even something as subtle as increased values of school buildings leads to increased expenses due to the need to raise insurance coverage to keep pace with higher replacement costs.

Coping with the problems of our economy is not an easy nor a pleasant task. Among other things, it requires careful planning, management based on accurate information and, above all, restraint.

With the continued cooperation of everyone concerned, we shall strive to provide the best education possible with the resources available.

Pupil Days: September through January — 93 days. February through June — 87 days.

Workshop Days: Sept. 1, 2 and 6. Pupils start school — Wednesday, Sept. 7.

Total Calendar: 183 Days.

## Days Out

- Sept. 5 — Labor Day
- \*Oct. 14 — Teacher's Convention — if none held, a school day and Christmas vacation would be moved up to start one day earlier
- Nov. 11 — Veteran's Day
- Nov. 24, 25 — Thanksgiving Recess
- Dec. 22 (or 21)-Jan. 2 — Christmas Vacation
- Feb. 20-Feb. 24 — Winter Vacation
- April 24-April 28 — Spring Vacation
- May 30 — Memorial Day

Use delayed opening for storm days whenever possible, otherwise hold June 19, 20 and 21 as "snow" or "emergency" day make-ups.

Delayed Opening — Announcements and/or local fire whistles by 7 a.m. indicates a delayed opening — buses will start runs two hours later than usual. If weather is still bad — announcement and/or fire whistle by 8:45 a.m. will mean no school for the day.
